once that she was sinking, and steps taken it, and brought it back. The crew all be-haved manfully, and to their courage and coolness is due the saving of the pas-sengers. The steamer was subsequently dragged or towed to Biair's wharf, where

WILLIAMSBURG. DEATH OF A WORTHY CITIZEN -- HOG-KILLING

TIME-VALUABLE PEANUT-PICKER INVENT-

[Correspondence of the Richmond Disputch.] DECEMBER 15, 1882. Mr. F. C. Newman, whose death occur-red on the 12th instant, was buried yes terday at Yorktown. A most complicated to take his life, case of pneumonia was the disease, and so rapid was its progress that eyen his relatives and most intimate friends received their first knowledge of his sickness in the tidings of his death. He was fifty-one years old, and for the past ten years has filled the office of treasurer of York ounty. His funeral was largely attended v members of the Masonic fraternity, and he universal esteem in which he was he v all classes was demonstrated by the

the procession to the grave.

The City Council met last Tuesday, with a quorum of seven members—three white and four colored—and elected Dr. R. A. Wise, superintendent of the Lunatic Asy-

mechanism, but its operations are almost no matter how inxuriant the vines are no feet twice tendency to choke has been observed. The nuts suffer no damage in the process, and the good are separated from the bad, and are discharged in a perfectly clean condi-tion. The patentee holds his interest above
